

**FAR/DFARS FLOWDOWN PROVISIONS FOR FIXED PRICE PURCHASE ORDERS
FOR COMMERCIAL ITEMS UNDER A UNITED STATES GOVERNMENT CONTRACT
ESA-FFP-USG1: Revision March 2022**

In addition to the clauses of General Provisions, the following provisions shall apply to the Order as required by the terms of Buyer's Government Contract, by operation of law or regulation, or by the terms of the specific clauses. Buyer is flowing down to Seller certain provisions and clauses from the Federal Acquisition Regulation (FAR) and Department of Defense FAR Supplement (DFARS) (all herein "USG Clauses").

The Federal Acquisition Regulation (FAR) and Department of Defense (DOD) FAR Supplement (DFARS) clauses provided in this document are incorporated by reference, modified as indicated, with the same force and effect as if provided in full text. The following words in the FAR and DFARS clauses are to be understood as follows, except (a) in those clauses where the terms should retain their original meaning due to authority vested in the U.S. Government, in which case Buyer retains such rights as are needed to perform this clause under its contract with Buyer's Customer and (b) where the context reasonably requires otherwise:

- "Contract" is the contract between Buyer and Seller as defined in the General Provisions incorporated by reference into the Purchase Order issued by "Buyer."
- "Contractor" and "Offeror" mean Seller.
- "Subcontractor" means Seller's subcontractors.
- "Government" usually means Buyer, but can also mean both the Government and/or Buyer when the context reasonable requires both (e.g., the right to inspect).
- "Contracting Officer" means Buyer's Authorized Representative, except for those specific clauses where the context refers to rights, acts authorizations or obligations that are uniquely performed or granted by the U.S. Government.

The listed clauses that are not applicable due to monetary threshold, place, performance, type of effort or contract shall be treated as self-deleting.

These clauses do not establish privity between Seller and Buyer's Customer. Notwithstanding any provision to the contrary, Seller shall have no right to pursue a claim or any other relief directly against the U.S. Government. The Contract Disputes Act shall not be applicable to the Contract. Any reference to a "Disputes" clause shall mean the Disputes clause of the Contract as set forth in the General Provisions. Any communication or notification required under these clauses to or from Seller to or from the Buyer's Customer shall be made through Buyer.

If the contract between Buyer and Buyer's Customer incorporates a preceding version of any clause, that version shall apply to this Contract. Buyer will provide the applicable dates upon receipt of a written request from Seller.

Seller shall indemnify and hold Buyer harmless from and against any price reduction in Buyer's Government Contract, as well as Buyer's reasonable attorney fees and other direct costs to defend Government Contract claims when said reduction is attributable to the failure of Seller or Seller's subcontractors to properly discharge applicable duties under the Truth in Negotiation Act and Cost Accounting Standards clauses incorporated by reference in accordance with this provision.

If Seller is an international contractor, clauses marked with an asterisk (*) apply to this Contract only if work under the Contract will be performed in the United States or Seller is recruiting employees in the United States to work on the Contract.

A. PRESERVATION OF THE GOVERNMENT'S RIGHTS

If Buyer furnishes designs, drawings, special tooling, equipment, engineering data, or other technical or proprietary information which the U. S. Government owns or has the right to authorize the use of (“Government Furnished Items”), nothing herein shall be construed to mean that Buyer, acting on its own behalf, may modify or limit any rights the Government may have to authorize Seller’s use of such Government Furnished Items in support of other U. S. Government prime contracts.

SELLER shall immediately notify Buyer of any change of status regarding any certification or representation.

1. FAR 52.203-11 Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions (SEP 2007)

(Applicable if this Contract exceeds \$150,000)

(a) Definitions. As used in this provision--

"Lobbying contact" has the meaning provided at 2 U.S.C. 1602(8).

The terms "agency," "influencing or attempting to influence," "officer or employee of an agency," "person," "reasonable compensation," and "regularly employed" are defined in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12).

(b) Prohibition. The prohibition and exceptions contained in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12) are hereby incorporated by reference in this provision.

(c) Certification. SELLER hereby certifies to the best of its knowledge and belief that no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on its behalf in connection with the awarding of this contract. 11

(d) Disclosure. If any registrants under the Lobbying Disclosure Act of 1995 have made a lobbying contact on behalf of the offeror with respect to this contract, SELLER shall complete and submit, with its offer to Buyer, OMB Standard Form LLL, Disclosure of Lobbying Activities, to provide the name of the registrants. SELLER need not report regularly employed officers or employees of the offeror to whom payments of reasonable compensation were made.

(e) Penalty. Submission of this certification and disclosure is a prerequisite for making or entering into this contract imposed by 31 U.S.C. 1352. Any person who makes an expenditure prohibited under this provision or

who fails to file or amend the disclosure required to be filed or amended by this provision, shall be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

2. FAR 52.203-18 Prohibition on Contracting with Entities that Require Certain Internal Confidentiality Agreements or Statements-Representation (JAN 2017). (a) *Definition.*

“Internal confidentiality agreement or statement,” “subcontract,” and “subcontractor”, as used in this provision, are defined in the clause at 52.203-19, Prohibition on Requiring Certain Internal Confidentiality Agreements or Statements.

(b) In accordance with section 743 of Division E, Title VII, of the Consolidated and Further Continuing Appropriations Act, 2015 (Pub. L. 113-235) and its successor provisions in subsequent appropriations acts (and as extended in continuing resolutions), Government agencies are not permitted to use funds appropriated (or otherwise made available) for contracts with an entity that requires employees or subcontractors of such entity seeking to report waste, fraud, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or subcontractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

(c) The prohibition in paragraph (b) of this provision does not contravene requirements applicable to Standard Form 312, (Classified Information Nondisclosure Agreement), Form 4414 (Sensitive Compartmented Information Nondisclosure Agreement), or any other form issued by a Federal department or agency governing the nondisclosure of classified information.

(d) *Representation.* By submission of its offer, the SELLER represents that it will not require its employees or subcontractors to sign or comply with internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or subcontractors from lawfully reporting waste, fraud, or abuse related to the performance of a Government contract to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information (e.g., agency Office of the Inspector General).

3. FAR 52.209-5 Certification Regarding Responsibility Matters (AUG 2020)

(a)(1) SELLER certifies, to the best of its knowledge and belief, that--

(i) SELLER and/or any of its Principals--

(A) Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(C) Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(1)(i)(B) of this provision; and

(D) Have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$10,000 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to 12 further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment. (iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) SELLER has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) Principal, for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division, or business segment; and similar positions).

(b) SELLER shall provide immediate written notice to Elbit Systems of America if, at any time prior to contract award, SELLER learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that SELLER knowingly rendered an erroneous certification, in addition to other remedies available, Elbit Systems of America may terminate this contract for default.

4. FAR 52.222-22 Previous Contracts and Compliance Reports (FEB 1999)

(a) SELLER represents that if SELLER has participated in a previous contract or subcontract subject to the Equal Opportunity clause (FAR 52.222-26): (a) SELLER has filed all required compliance reports and (b) that representations indicating submission of required compliance reports, signed by proposed subcontractors, will be obtained before subcontract awards.

5. FAR 52.222-25 Affirmative Action Compliance (APR 1984)

(a) SELLER represents: (a) that SELLER has developed and has on file at each establishment, Affirmative Action programs required by the rules and regulations of the Secretary of Labor (41 CFR 60-1 and 60-2), or (b) It has not previously had contracts subject to the written affirmative action programs requirement of the rules and regulations of the Secretary of Labor.

- If (b) that in the event such a program does not presently exist, SELLER will develop and place in operation such a written Affirmative Action Compliance Program within one-hundred twenty (120) days from the award of this Contract.
